

Welcome to the Berkeley Eruv

If you are unsure of the exact eruv boundaries it is simplest to avoid carrying on the boundary streets. Do not carry **under** the BART tracks.

NOTE: In most cases, only the inside sidewalk is in the eruv. But there are places (marked with a **red X**) where an entire block or just one corner of the boundary is completely impassable without trespassing on private property. And there are locations (in **green**) where both sides of the street are included.

Attached is a more detailed description of the eruv boundaries. For exact details please consult with Rabbi Cohen of Congregation Beth Israel.
